download a registration form
from the Town website at
www.holderness-nh.gov.

This informative, all day class will prepare both boys & girls to safely stay at home: alone or while watching younger children. You will learn about stranger danger, basic first aid, and choking rescue for infants & children. You will learn behavior management techniques, how to diaper an infant, and how to communicate with the parents you baby sit for!

Your instructors are certified by:

Register by Dec. 21st!

Space is limited!
